Registration Opens: October 1

Max students: 6

For ages: 16 and up

Materials Fee: \$20

Instructor: Mawnie Belcher

Gain hands-on experience in the art of enameling, from safety and color selection to kiln and torch firing, as well as gradient effects and enamel stenciling.

As part of this class, participants will create a beautiful 6-inch copper angel ornament. This exquisite piece will feature hand-forged and hammered wings, with the remaining body enameled using the techniques covered in class. **Must have completed Beginner Enameling prior to enrolling! No open toed shoes.**
